All requests for a change in the amount of the monthly deductions must be on or before July 1.

Employees desiring to establish such an arrangement shall notify the district payroll office and complete all required forms.

9.7 EDUCATIONAL IMPROVEMENT

Eligibility for reimbursement is entirely dependent upon the employee's meeting the State requirements for permanent teacher's certificate and the completion of his Bachelor's Degree. The Board agrees to reimburse employees the tuition costs of up to nine (9) graduate credits per year. The completion date of the course will determine the contractual year in which the employee is eligible for reimbursement.

ARTICLE IX (CONTINUED)

Reimbursement shall be based on Rowan College's current rates for graduate courses of study and the presentation of evidence of a grade of B or better or passing in a pass/fail course to the Superintendent of Schools not later than April 30 for courses taken during the Fall Semester and not later than December 1 for courses taken during the Spring Semester and the Summer months. The maximum payment by the Board shall not exceed \$180,000 in the first year of this contract, plus 5% for each ensuing year of this agreement. This money will be disbursed on a first-come basis until funds are depleted.

To be eligible for reimbursement, graduate courses must have prior approval by the Superintendent of Schools and must be in your education field or related to the employee's work and must be actually taken during the school year for which reimbursement is requested. Carry-over of credits from one year to another for the purpose of increased reimbursement shall not be permitted.

Reimbursement is also available for undergraduate courses when staff who already hold an instructional certificate wish to return to school to become certified in hard to fill area(s). To be eligible for reimbursement, these courses must have prior approval by the Superintendent of Schools or his/her designee.

When the teacher submits the bill after the course or courses have been successfully completed, the teacher must be under contract and have full intention to continue teaching in the Bridgeton Public School system. In the event that the teacher voluntarily terminates his/her employment in the district less than one full academic year (July 1 to June 30) after successfully completing the course for which he/she is reimbursed, then the teacher shall repay the Board for 100% of his/her reimbursement. Example: If a teacher completes a course in December 2007, in order to avoid having to reimburse the Board 100%, the teacher is obligated to remain in the district for one year (July 1, 2008 to June 30, 2009). If a teacher completes a course in June 2008, in order to avoid having to reimburse the Board 100%, the teacher is obligated to remain in the district for one school year (July 1, 2008 to June 30, 2009).

Any teacher who must reimburse the Board must make said repayment within sixty (60) days of leaving the district.

Once \$90,000.00 has been properly committed for reimbursement of graduate courses (proper paperwork is approved for reimbursement), the remaining \$90,000.00 will be distributed in the following order:

- a. To tenured teachers who are in graduate programs
- b. To tenured teachers who are in certificate programs
- c. To tenured teachers
- d. To non-tenured teachers

The School Business Administrator, or his/her designee, will inform the Association President, or his/her designee when the \$90,000.00 threshold has been met.

Teacher (employee) taking courses must sign a contract agreeing to repayment in accordance with this Article.

Those funds not committed by February 1 may become available to other unit members.

- 9.8 Non-certificated staff will be reimbursed for classes/courses relevant to their employment that have received prior approval as per 9.7 and said employee has received a grade no lower than a B or P if the course is Pass/Fail. The maximum payment by the Board shall not exceed \$10,000.00 in the first year of the contract (2006-2007) plus 5% for each ensuing year of this agreement. Those funds not committed by February 1 may become available to other unit members.
- 9.9 BEA members whose positions require possession of the instructional or educational services licenses in accordance with N.J.A.C. 6:11-6, 10 and 11 are required to complete 100 hours of professional development over a five-year period. Professional development activities approved in accordance with State regulations shall count toward attainment of the 100-hour requirement. For every 20 hours of approved professional development, the active teaching staff member shall accrue one college credit for purposes of lateral guide movement up to a maximum of five (5) credits in her/his employment career with the Bridgeton School District.

- G. Unscheduled meetings of the Council may be called by agreement between the President of the BEA and the President of the Board of Education only in those instances whereby a request for a grant would be rendered meaningless if the normal meeting schedule was followed.

ARTICLE XI
